### **Mission Partner update and prayer - Embrace**

The situation in Israel and Palestine is deteriorating rapidly with real concerns about the pressure placed on the Al-Aqsa Mosque. **Please pray for a de-escalation of the violence.**

Here is an update from Elias in Jericho:

*“Alleluia, the tomb is empty. Thank you for your prayers and follow up, we appreciate this very much. We are looking forward to seeing you again.*

***Our prayer requests:***

- *For peace to our area and country.*
- *For God to touch the hearts and the minds of the Leadership Academy participants.*
- *That God will open doors to reach and influence leaders through the Leadership Academy.*
- *That God will use the Bible Society to encourage the growth of new local leaders in our country.*

*Blessings, Elias”*

Once again thank you to you all for your love and concern for our friends at PBS Jericho.

*On behalf of the Mission Partnering Team*
