Mission Partner Prayer and update from the Cobham Area Foodbank

Regrettably, more and more people are visiting the Foodbank (currently operating from the United Church, Stoke Road, Cobham) each Tuesday lunchtime to collect much needed food parcels.

The cost-of-living crisis is affecting everyone – many of the clients have full-time jobs yet not enough funds to pay for both essentials AND food. Christina Van Roest, the Foodbank General Manager, has written an article for the May issue of the Oxshott Magazine highlighting the recent work of the foodbank and thanking everyone for their continued support and generosity. Please find time to read it when it is published, as it is very informative.

In the meantime, please pray:

1. That food and cash donations can keep up with demand.
2. For the wellbeing of the volunteers and clients.
3. Give thanks to all those involved in running the foodbank.

The shopping list prioritising items needed each week can be downloaded from the Appstore at [BankTheFood](#); onto your phone or visit the [Cobham Area Foodbank website](#) to donate financially.

Thank you all for your prayers and generous support.
