Mission Partner Prayer and update from Qaiser and Help the Helpless

Dear St Andrew's,

Greetings in the precious name of our Lord and Saviour Jesus Christ. Thank you so much for your wonderful support and partnership with the HELP Project, we appreciate it very much and it means a lot to us.

Please keep us in your prayers and find below some prayer points.

Prayer points:

1. Please keep me in your prayers as I'm going to apply for a visa to visit Australia.
2. Keep HELP Project in your prayers as we have three sewing graduations in August and three literacy graduations too. The three sewing graduations will be in November, December and January. Pray for all kind of provisions from our Lord.
3. Pray for our children Homilia and Hanan, as Homilia is looking for a better university in Turkey and Hanan is also looking at universities after his gap year. Hanan will soon sit his SAT exams.
4. Pray for Qaiser to have strength and wisdom for his work. In December they are having a Theological Education Expo where about seventy different Bible colleges and different ministries will be putting a stall together. Please pray for good connections, relationships and harmony between the theological institutions.
5. Please keep me in your prayers for wisdom and good health.

May God bless you and St Andrews Church abundantly with immeasurable riches and grace and provide all that you need.

Much love and blessings,
Rahila and the HELP Team
