

Mission Partner prayer and update 22 December 2024

The Finnies

Paula & Dean were delighted to receive the funds that St Andrews raised for their Christmas soup kitchen appeal totalling £3,075! They have sent their heartfelt thanks for the wonderful support of their ministry in Firgrove. They are very much looking forward to all the Christmas outreach – festive soup kitchens, end of year goodie bags for all and books for the children at the Need to Read club. They have also been blessed to be able to tithe on all the gifts received by the church and have loved giving to friends in mission in Zimbabwe, to a local primary school in great need and to a township boxing club in neighbouring Khayelitsha who are doing wonderful work and bringing hope to children and young people in very desperate socio-economic situations. Paula writes, *“We love how God multiplies the seed that is sown!”*

Please pray for:

- Their sons Eli and Joel who are now both living in the UK - Paula & Dean are sorely missing them.
- A swift registration of a S18 tax exemption certificate which will facilitate the purchase of the church building.
- the volunteers at the festive soup kitchens & that everything runs smoothly especially that there are no power outages & the weather is not too hot or windy.

Paula & Dean are very grateful for your prayers and support throughout the year and wish you all a Merry & Happy Christmas.
