

## **Mission Partner prayer and update 16 February 2025**

### **News from Open Theological Seminary (OTS)**

*Dr Qaiser Julius, OTS Director, wrote the following:*

I extend my appreciation to all our partners and supporters who contribute to the ministry of OTS in countless ways. Their generosity and commitment are vital for enabling us to continue the significant work that God has entrusted to us. I warmly encourage all our friends and supporters to continue standing with us as we serve Him together.

#### **Please Pray for:**

- The Compassion Campaign - that it effectively brings relief and hope to the poor and disaster affected people.
- The Field & Youth Department's successful implementation of impactful and engaging activities.
- The safe travels and protection for field staff and Area Coordinators as they monitor OTS work in their regions.
- Wisdom and discernment for the course development staff as they develop new courses and revise existing ones.
- God's guidance and provision as OTS transitions its courses online.
- Fruitful and impactful experiences for all participants in the upcoming conferences.
- God's provision for the needs of the OTS ministry within Pakistan and beyond.

Thank you.
