

## Mission Partner prayer and update 19 October 2025

### From B@titude

There have been a few changes recently at B@titude, in particular the stepping down of Jenny Moore who founded B@titude 20 years ago, and the employment of Silvia as the new shop manager. B@titude began as a shop providing affordable children's clothing and equipment to the families of North Leatherhead, but quickly evolved into a place that people came for company and support. One of their core values is "to respond in any way we can." Although the charity is still thriving and continues to fill a crucial role in the local community, it is facing a few challenges. Here are some ways that we can help.

#### Through donations

Clothing and textiles, children's toys and books and equipment. For their donations checklist please see their [website here](#). Donations can be made before 12.30pm on Monday to Thursday. If you have a large amount of equipment please phone ahead on 01372 374666.

#### Through volunteering

Help is needed with sorting and steaming clothes, serving customers and keeping the shop looking clean and tidy. The shop is currently open three and a half days a week, but they would like to return to longer opening hours.

#### Financial Support

B@titude is currently struggling to make ends meet and the regular giving it receives does not cover essential running costs. If you feel that you can help financially, either with a one-off donation or regular standing order, you can find ways to give on their [website](#), or on our notice board in the vestibule. Every little helps.

#### Prayer requests.

Please pray that B@titude continues to thrive and that they receive much needed help in terms of volunteers and financial support required, which in turn allows them to support families in need. Please pray for Silvia and all those who are taking the shop on the next stage of its journey.
