

**Mission Partner prayer and update 7 December 2025**  
**From OTS**

*Rahila Julius, working with Help for the Helpless, sent the following update...*

Dear St Andrew's,

Greetings from Lahore in the precious name of our Lord and Saviour Jesus Christ. Thank you so much for your love and wonderful support for the flood affected people.

We distributed cash gifts to 14 families affected by flood and rain. They all were in desperate need and were very thankful. May God bless you and St Andrew's Church abundantly with his immeasurable riches and blessings and keep you in his loving care always.

And yes, the prayer points for HELP for Helpless are:

1. Please keep our staff, teachers and students, and the people in Pakistan in your prayers as there are a lot of bugs and dengue fever around.
2. We have sewing and literacy tests coming up, followed by graduations; please pray that God will provide all our needs and protect us while travelling.
3. Pray for one of teachers battling breast cancer, her name is Gul Naz.
4. Please keep our whole staff, teachers and students in your prayers for all the teaching and learning processes and office work to go well, and that they all grow in their Christian faith.
5. ... and wisdom and strength for me as well.

With thanks and many blessings,  
*Rahila*
