

Mission Partner prayer and update 4 February 2026
Gratitude from our Mission Partner B@titude

Naomi writes on behalf of everyone at B@titude:

Thank you to everyone at St Andrew's who gave during the Christmas appeal. We are incredibly thankful for your ongoing prayers and support, which were especially felt during a very busy Christmas period. Thanks to your generosity, we were able to support struggling families by providing new gifts for children and supermarket vouchers to ease financial pressure. We were also able to give the opportunity for families to enjoy tickets to the Leatherhead Theatre pantomime—bringing joy and hope at a challenging time.

We are grateful for your prayers, as we have seen real encouragement in recent weeks with an increase in volunteers and the appointment of two new trustees who joined our board this month. The Hive continues to do well, and we were delighted to recently receive a grant that will cover Marion's salary for a further 17 months.

As we look ahead, we will soon be meeting with our trustees to prayerfully evaluate and refresh our vision after 21 years of being open, and we would really value your continued prayers for wisdom, clarity, and God's guidance for the next season of our work.

Thank you for your prayers and financial support for this well-deserved charity.
