

Mission Partner prayer and update 15 March 2026

A Rocha

Whilst we are already part way through Lent, it is not too late to take part in Climate Steward's Carbon Fast. Lent is a time when Christians traditionally fast and focus on God. The Carbon Fast will help you consider ways to live more simply, give you new ideas to cut your carbon footprint and invite you to focus on God and consider the whole of his creation. [Find out more and sign up here.](#)

A Rocha is also encouraging us all to take part in a local litter pick during **The Great British Spring Clean (Friday 13 to Sunday 29 March)**, the nation's biggest mass-action environmental campaign, which has been running for 11 years. Litter picking benefits the environment by removing rubbish that can be hazardous for wildlife, whilst helping bring people together. Find out more and pledge to pick up a bag at the [Great British Spring Clean.](#)

Earth Hour is a global event where people turn off non-essential lights for one hour to show care for the environment. This year it takes place from **8.30pm–9.30pm on Saturday 28 March**. Earth Hour encourages positive action for the planet. Consider lighting a candle and reflecting on God's love for creation. Pray for justice for those most vulnerable to climate change and ask God what actions He invites you to take. Find out more [at the Biggest Hour for Earth.](#) Let us all remember that *"The Lord God took the man and put him in the Garden of Eden to work it and take care of it"* Genesis 2.15.

Creating God,
your name is written on every leaf, every bird, every river, every stone, every living being.
We praise and worship you for the magnificence of your creation.
Make us attentive to the wounds of the earth
and willing to work for the healing of the whole creation,
through Jesus Christ, our Saviour and Lord.
Amen.
