

## **Mission Partner prayer and update 19 April 2026**

### **Tanka and Rita Subedi in Nepal**

*Tanka and Rita provided the following update to share with you all:*

The Lord has been consistently faithful and good to us. Over the past few months, much of our time has been devoted to strengthening our involvement with a new church community. We are now joyfully fellowshiping with the Nepal Christian Church, which is just 10 minutes from our home. Tanka has been preaching there regularly, and we thank God for the warm fellowship and for a smooth transition from the Family of God Church.

In February, Tanka travelled to Delhi, India, to help promote TEE (Theological Education by Extension) work. We also conducted a leaders' gathering in Dhading focused on disciple-making training, which was a meaningful and fruitful time.

We witnessed God's healing power again in the second week of March. I was diagnosed with appendicitis, but through prayer and medication, I was healed without needing surgery. We give all glory to God for this miracle!

It was also a blessing to have Peter Bissett visit Nepal from the UK — it was encouraging to spend that time together. Our ongoing ministry of supporting pastors, orphanages, and those in need continues steadily by God's grace.

#### **Please pray for:**

- Tanka's upcoming ministry travels to Nepalgunj, Chitwan, Makwanpur, and Dhading.
- Rita and Tanka to have a fruitful time as they will be travelling to Albania for a European leaders' conference.
- Continued work in discipleship and the production/distribution of evangelistic materials.
- Rhema (Tanka and Rita's daughter) in her Audio Bible ministry, and for her process of moving to the USA with her husband.
- Wisdom and clarity for Tanka's role in the Nepal Christian Church.
- Continued growth and impact of ITEEN's work across Nepal and beyond.
- Freedom and protection for believers in light of the current political situation.

*Tanka signed off by saying that he and Rita deeply appreciate our prayers and partnership. May the Lord continue to guide and strengthen us all.*
