

## **Mission Partner prayer and update 10 May 2026**

**From Qaiser and Rahila Julius**

*Rahila (who runs Help the Helpless) and Qaiser (who runs Open Theological Seminary (OTS) sent through the following update:*

Greetings from Lahore in the precious name of our Lord and Saviour Jesus Christ.

We are doing well and busy with ministry work. Qaiser was in Sri Lanka for a conference, as on this side of the world, flights are not disturbed. He's back now and this evening they are starting training for the Langham facilitators. We inaugurated a new sewing centre yesterday in Sheikhpura, which is one hour away from Lahore, and we are going to have some sewing tests and graduations soon. Please keep us in your prayers.

Please, too, would you pray for the peace in Pakistan as war is going on with Afghanistan in the north side and there is unrest in the western province because of the terrorism; and please pray for peace and safety in the world as well.

Thank you so much for your beautiful prayers and love for us. May God bless you abundantly today and always through His immeasurable riches and grace and keep you in His loving care. Our warm regards to the Life Group and to all at St Andrew's.

Much love and blessings,

*Rahila with Qaiser*
