

Mission Partner prayer and update 21 June 2026 from B@titude

Naomi from B@titude writes:

Thank you so much for your ongoing financial and prayerful support. We are seeing some wonderful answers to prayer, including another new trustee joining our board and a new volunteer helping out in the shop!

We have also secured funding to update some of our infrastructure at B@titude. This includes a new till system, furniture, and new display items to replace pieces that were looking very tired after 21 years!

How You Can Pray for Us:

- **Extended Hours:** One major theme from the survey was a desire to see B@titude open for more hours, including Saturdays. Please pray we can secure the funding needed to open at weekends, which will particularly help working parents.
- **Summer Fun on the Rec (on 20 August):** we are busy planning our annual event! Please pray for good weather and that we secure everything we need to support families struggling over the summer holidays.
- **Volunteers & Team Growth:** we have an ongoing need for more volunteers. Having more hands-on deck will allow us to take much-needed team time once a month. Please pray that our team can connect deeply and flourish in our roles.

With appreciation and blessings,
The B@titude Team
