Between navigating the ongoing heatwave and processing the incredible flood of donations that have come through our doors, our team has been working hard over the summer months. Our shop remains a vital lifeline for parents, grandparents, carers and support services to access affordable essentials for those in need. Please continue to pray for more volunteers that we can welcome to the team.

Our annual '*Fun on the Rec*' event, hosted in partnership with the Leatherhead Community Hub, was another wonderful celebration of community spirit. We estimate that around 400 people joined us throughout the day, with many families staying the entire time. Visitors enjoyed our usual lineup of rides, attractions, face painting, crafts, glitter tattoos, and games, along with skateboarding lessons, a delicious BBQ, a bubble show, and music. It is a true joy to offer this event completely free of charge and host our communities coming together. Except for a brief shower, that had families temporarily ducking under the trees, the sun shone on a fantastic day.

Gearing Up for '*Back to School*' We were also grateful to partner again with LCH to run the '*Back to School*' initiative, which supported 75 children as they prepared for the new academic year. Eligible kids were kitted out with brand-new school uniforms, school bags, stationery, shoes, and even a fresh haircut for those who wanted one. LCH kindly provided lunch for the children, plus coffee and cake for the adults. It remains a immense privilege to support this wonderful community in every way we can. We never do this work alone and it is only made possible entirely through the collective generosity of people like you.

Thank you for your ongoing support.
